# French Program Agency for Digital Science and Technology

Sophie Proust\*<sup>†</sup>

<sup>1</sup>Inria Siège – Institut National de Recherche en Informatique et en Automatique – Domaine de Voluceau 78150 Rocquencourt, France

## Résumé

The primary mission of the "digital" programme agency, led by Inria, is based on the need to coordinate digital players by leveraging collective intelligence in order to build a strategic roadmap that involves not only the academic research ecosystem but also industry.
